**DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I declare that:

This declaration is directed to Application S.N. 10/052,964, filed January 17, 2002, and entitled "METHOD AND APPARATUS FOR COORDINATING MULTI-POINT TO POINT COMMUNICATIONS IN A MULTI-TONE DATA TRANSMISSION SYSTEM", as amended on January 17, 2002, May 4, 2004, May 3, 2005, and June 22, 2005;

I verily believe that I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought;

I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to above;

I acknowledge the duty to disclose, to the United States Patent and Trademark Office, all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International filing date of the continuation-in-part application; and

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
